## *In Memoriam*

**Phillip Russell**

In the summertime of days  
A man is nothing more  
Than a tear in some old year  
That was cast aside by God.

In the summertime of days  
We are as we must be  
Shadows all on our way to fall  
If not eternity.

And if we must look for heaven  
Then heaven must surely be  
In arms that are warm  
And smiles if they tender be.

In the summertime of days  
I'll ask for nothing more  
Than a face and a quiet place  
That was cast aside by God.

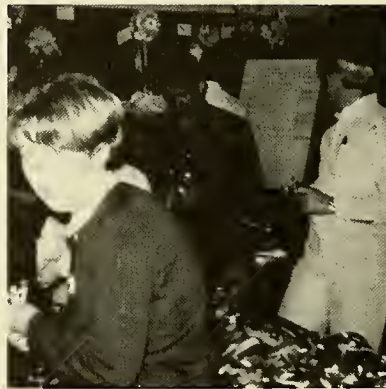

Rod Mc Kuen

**STOSO SMOKER**  
 All Stockbridge Open Smoker will be held October 8, in the Colonial Lounge Student Union at 7:00. All seniors are urged to attend in order to have a chance to see what organizations you can join and what they have to offer to you. We would like to see a good turn out of Freshmen too, because you have to run the clubs next year.

**ALPHA TAU GAMMA**  
 After being off campus for the past year, ATG is back at its traditional house, 175 North Pleasant Street. The brotherhood arrived three weeks ago and has spent every free moment working together to get the house back in shape for the coming year.

The past week we have had three open smokers for the students of Stockbridge to meet and pledge the house. We expect a large pledge class this semester and hope that many of the men of Stockbridge will seriously consider Fraternity Life. Saturday and Sunday the brothers held a painting party to paint the house from the old aggie brown to the new white "We try harder, good guys look!" This Wednesday we are having a guest speaker from the Peace Corps. The '68-'69 executive board of Alpha Tau Gamma is President E. Mark Bobola, Secretary Judson P. Thurston, Treasurer, Kenneth Fitz, and House Historian Stephan Schiller.

**PEACE CORPS AGRICULTURE**  
 A Peace Corps agriculture representative will be in the agricultural building September 22 to October 1 to discuss the agricultural job in the Peace Corps.

With tastes of Dwight, Ruth found our regrets at the closing.

It has been decided that since Pat has been taking expeditions through the orchard, money should be appropriated so she can buy a comb and a flashlight so that a recurrence of last Monday night won't happen again.

It's been rumored that Dave C and Paul H. are going into the Packie Business. I guess it will save wear and tear on a little green car.

There was a little bit of excitement on 3rd floor Chadbourne concerning rope and shaving cream. As a word to the wise: Small car owners beware as your vehicle may be moved to the new parking facilities in your rec. room.

More action from Chadbourne. With the coming of autumn and the falling of leaves, it seems strange to see a Caution Sign blooming in a tree. Tell us about it Leo and Paul!

With regret, we hear that the dynamic duel of Whitney and BP. Pirona no longer be lecturing on Bullology.

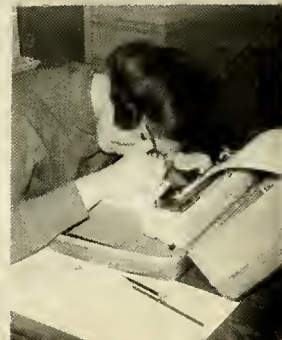

Remember: Always put off today what you can do tomorrow.

Stockbridge Student Senate Meeting, October 8, at 7:00 - 8:30 in the Student Union Council Chambers.

**SIGMA SIGMA ALPHA**  
 The beginning of the 1968 pledge year was started Monday, September 30th. The new pledges had to snatch a boy and a party was held afterwards. The next meeting will be held on Monday, October 7 in 102 Stk. Hall at 7:00. It's not too late to join in on the fun, so Freshmen and Senior girls, come and have the fun of pledging S.S.A.

# DEDICATION

*Stosag 1969*

JAMES E. MULCAHEY

Jim Mulcahey is presented his award by Editor Cal Saulnier.

Jim Mulcahey graduated from Stockbridge in 1960, later attending the University of Massachusetts where he was extremely popular and still takes a considerable interest in the University of Massachusetts Alumni Association. Jim was an Aboriculture Major and while in Alaska during 1961, he fell from a tree and broke his back. Far from slowing him down, he is now one of the most active figures on this campus! At present Jim is serving as treasurer to the Stockbridge Alumni Association, having been responsible for organizing the 50th Anniversary Stockbridge Alumni Directory. In addition to his insurance business he is involved in many areas of public service, including the newly formed Kiwanis Club in Amherst. His activity in the Stockbridge fraternity, Alpha Tau Gamma, has taken the form of advisor to the local chapter. We, the yearbook staff feel that this is devotion, above and beyond the call of duty, and would like to recognize his work on behalf of Stockbridge with this dedication.

After opening the season with a loss to the University of Massachusetts Varsity, the Stockbridgemen dropped only one more match during the season to a strong M.I.T. Freshman Team at Cambridge. Northeastern University, after postponing the scheduled date of our match, failed to appear on the agreed revised date and our team members fired for scores under match conditions. American targets were used in the matches against the University of Massachusetts Freshmen and Springfield College. All other matches being fired on the International targets.

# Our Haunted House

We pledge allegiance to our Haunted House.

Haunted House, Uhh?

What, no sofa?

Help yourself.

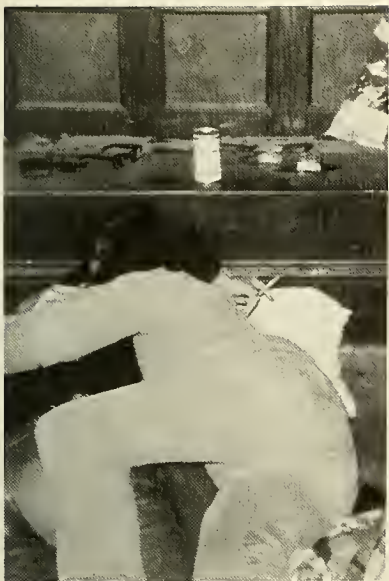

The night before the morning after.

I'll drink to that.

Generating the BTU's.

How sweet it is.

Joe, isn't one enough.

Really I don't think I saw a ghost, or did I?

It's only cider.

Now girls . . .

You sure the old Buick can take it all?

The morning after, the night before.

Real Food.

So Surfer Joe said to the shark . . .

Nursery rhymes were never like this!

Caught me, UHH, studying.

Even with the instructions, I can't figure it out.

No, Paul, you don't eat the flowers.

Carla, are your fingers caught?

Dr. Goddard . . . are you there?

Sure isn't plant propagation that I'm reading.

Where did my date go?

Such a profile!

Want a piece?

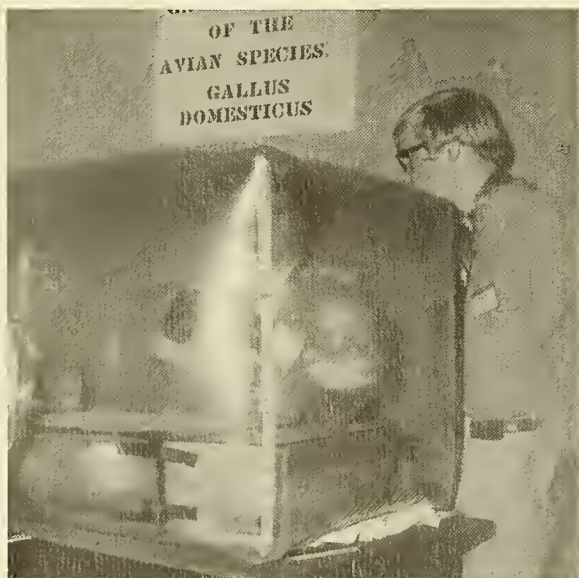

And away we go!

Didn't think I shaved, did you?

Are you sure they are dead?

Get that pin away from here!

10% of this, 2 millimeters of that, add 5% solution of ..

So what if I took a course in mud pies!

Hmm, I'm gonna get you.

Gonna get your hands dirty.

You — — —!

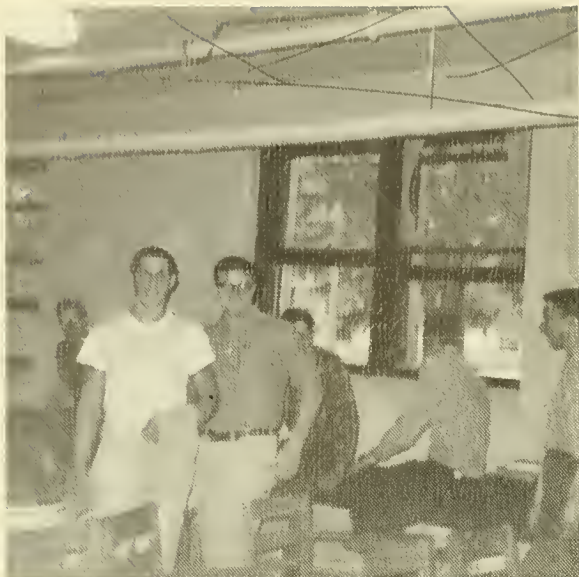

Mr. Face, himself.

Tish's Empire.

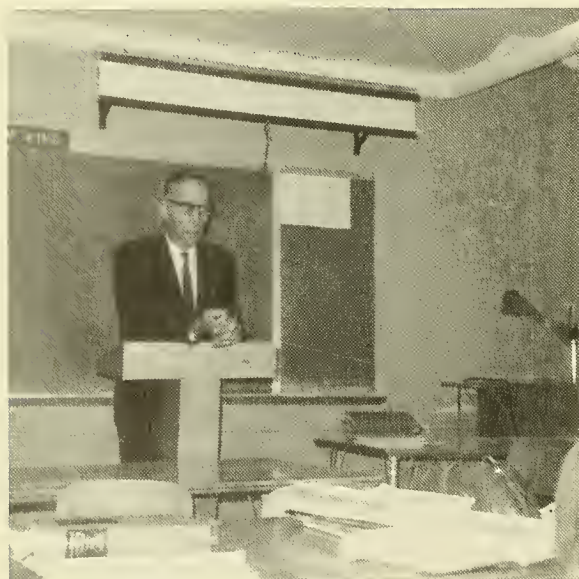

My, don't they make a nice couple!

And when did you say this class ended. I didn't, it hasn't started yet.

One little, two little, three little students, four little, five little, six little students, and no more.

Hup two three four, hup two three four.

What are you grinning for, you still have ten more miles to walk.

Now all you have to do is climb all the way down again.

It's only "cider."

I'm gonna wash that — right out of my hair.

Look what I found, a feline domesticus.

An Aggie owns that!

I plan to play football, tackle type that is.

One, two, three, attack.

Dining Commons food will do it every time.

Get away, I'm trying to do a rare thing, study.

I grew these myself.

You wouldn't believe what we had to do during this lab.

That's how he looked when he started the yearbook.

Now look what has happened to him.

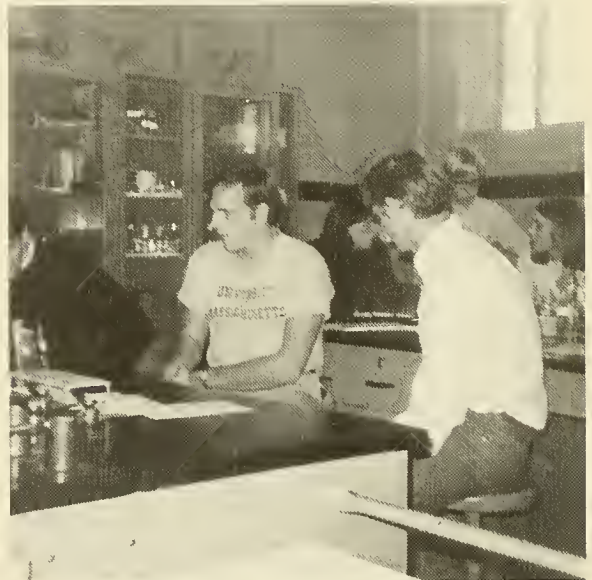

Hope I didn't forget anything.

Dang Tests.

Field Labs are fun?

This is how we spent most of our labs.

How nice, a picnic on the lawn.

Ruth, expecting some sun?

You know what I told you!

Reach for the sky.

This is what we did at the first picnic, wait until you see the last picnic!

Stockbridge Drinking Team

4 Packeteers

Who turned on the light?

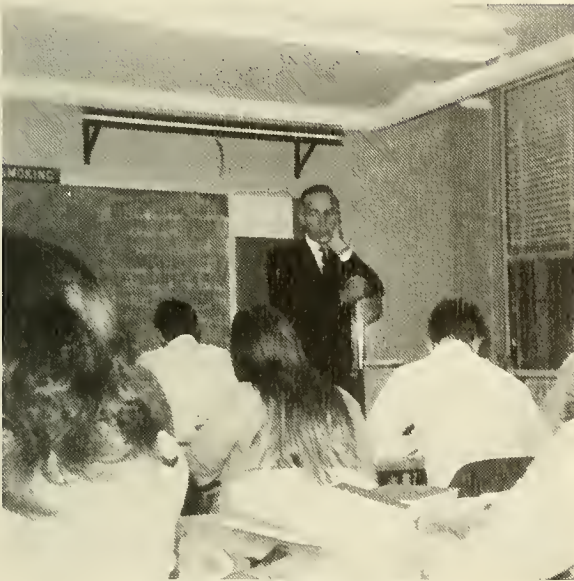

Glug, Glug, Glug . . .

Caught you dreaming, Liz.

What's a debit you said?

But I got 43 shaves from my last blade!

Have to clean this cell sometime.

So that's the tow truck that you got into the shower, Dave.

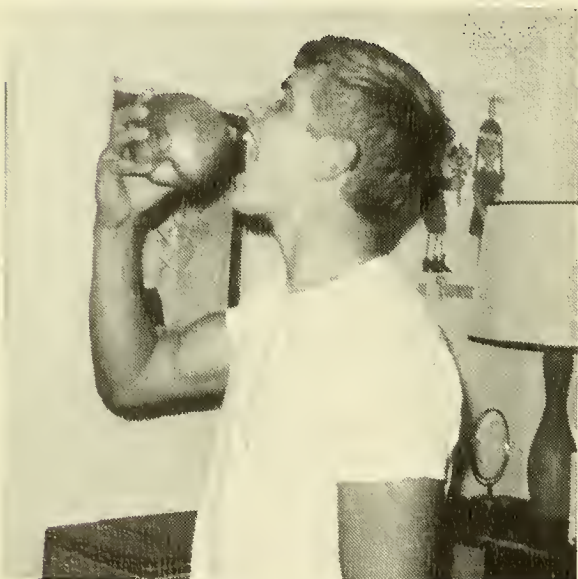

mmm, mmm, mmm, mmm.

Do you have the idea that everyone has gone somewhere?

Orchard Specimen.

Out, out damn dirt!

To tell you the truth, you can't get there from here.

Now you know what I do on Saturday afternoons.

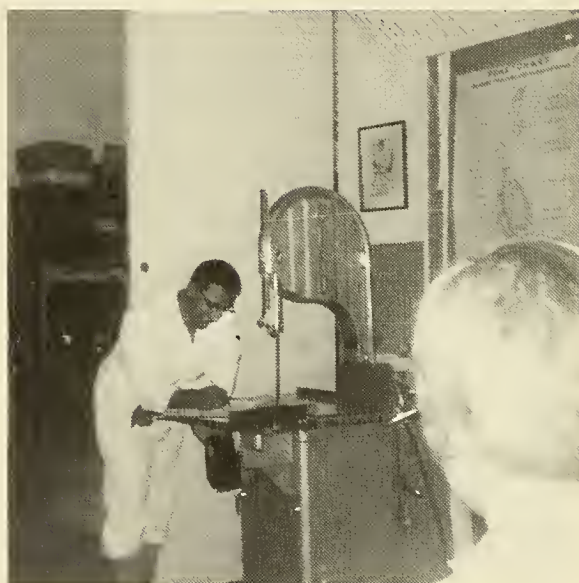

6 cubits, by 4 cubits, by 2 cubits.

Chops made twenty.

Mmm, so that's how you do it.

Today we learn to use the saw, any volunteers?

Grand old lady of the barn, Bay State Debbie.

My what a work out.

Oh dear!

Hatch Rats.

The Fifteen minute leisure hour.

This is what you came here for in the first place.

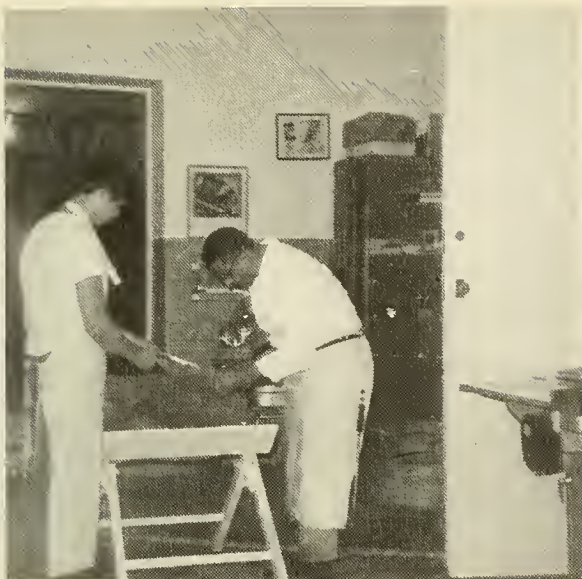

Nice day for a walk, that's all he said.

Future Flori's Dream.

Ben Casey and Dr. Kildare at work.

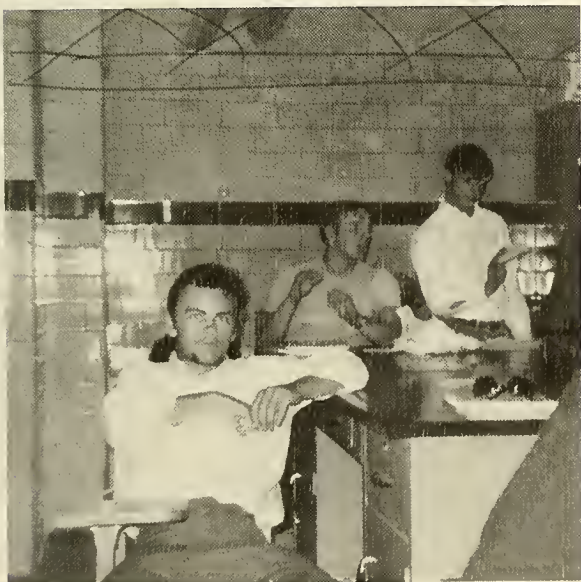

Ooops, oh well, it will only add color and flavor.

Meats by Hereford, and fashions by San Laurent.

And this is my better side.

Bob, what are you looking at?

Caution, Ether fumes in this room, No smoking.

What you take that for?

Life's simple pleasure.

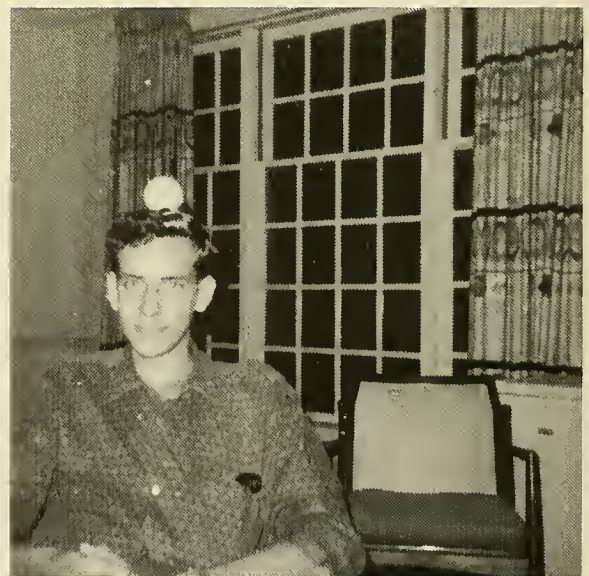

Could have used an Ag. Engineering course here.

What a way to travel!

Hey, that's Hambone!

Mr. Tell, are you sure you can aim that arrow straight?

I paid \$240 a semester for this!

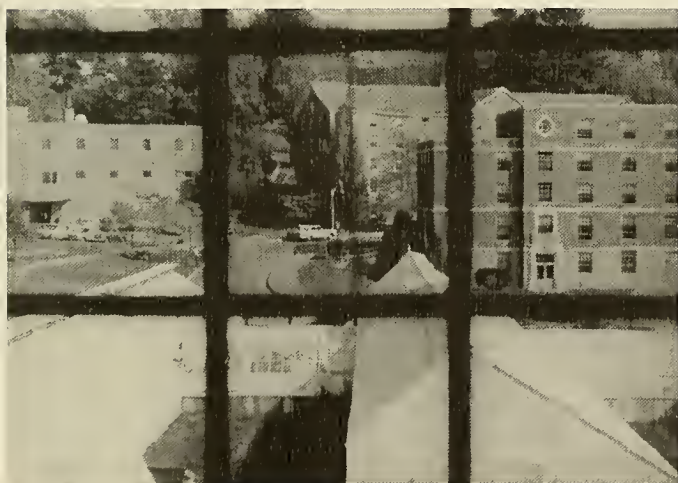

Forever Yours

Time, we hope, will never change.

To The Future.

A Lasting Sight

# Looking Back . . . And Ahead, Hopefully

This year's **Stosag** yearbook has been an attempt by myself and my staff to portray Stockbridge as we have experienced it. It has moved away from the traditional Aggie yearbook, but again this is only a reflection of my personal feelings for and about Stockbridge.

I would very much like to thank my staff, which included Patt Trusselle, Jean Davis, Cindy Fournier, Fred Gardner, Ed Bousquet, and Nate Bacon, for sticking around and doing the job when it had to be done. I would also like to thank my yearbook advisor Dr. George Goddard, Dave Lombard, Dave Cooper, Mrs. Frey, Lennie and Donna Townend, for lending great amounts of time, assistance, and moral support when I needed it.

Lastly I would like to thank most sincerely my good friend Paul Parent. He probably worked the longest and the hardest of anybody and without whom I couldn't have done it. Thank you all.

Signed, Calvin T. Saulnier
